Vision

We envision a Light of Hope community, where girls are instilled with a deep sense of hope for their future and inspired to redefine what is possible in their lives.

Mission

To provide Refuge, Restoration, and Redirection for the girls of Kenya who have experienced trauma, neglect, or hardship.

Refuge ~

From a life of extreme poverty to a safe and loving home where all of the basic needs are met. A place to belong.

Restoration ~

As the girls embrace their identity in Christ they experience healing. A reason to hope.

Redirection ~

Through a quality education and developing valuable life skills they build confidence. Empowered for a secure future.
